**FOR IMMEDIATE RELEASE**

**March 18, 2010**

## **St. Andrew's Offers Rare Senior Apartment Openings**

Connected to the south side of St. Andrew's Health Center is their Senior Apartments complex, and there are currently some rare unit openings. Tenants and family alike agree it is a great option for senior citizens in the Bottineau area.

The apartment complex includes three 2-bedroom apartments and eleven 1-bedroom apartments. It also includes a commons area, where a daily lunch meal is served by St. Andrew's Cafeteria. The commons area is where tenants also frequently gather to play cards and other games, drink coffee together, or just sit and visit. Resident Dolores Holwell says, "I've been here over a year now and I just love it."

Many other amenities are available at St. Andrew's Senior Apartments, including a medic alert system in each apartment, indoor mail service and optional activities through the Pastoral Care Department at St. Andrew's. Rent each month includes electricity, heat and cable television. A big advantage of living at St. Andrew's Senior Apartments is being conveniently attached to St. Andrew's Health Center, Clinic, and Pharmacy!

"You can't go wrong by coming here. I've been here 6 ½ years and for me it's a perfect place. If you need help, all you have to do is call," says Ruth Kjelshus, a current resident.

Currently, there is a rare opening at St. Andrew's Senior Apartments. To find out more information, please contact Brenda in Human Resources at 228-9314. Enjoy the many amenities of retired living with St. Andrew's!
