

Financial Assistance Policy – Plain Language Summary

St. Andrew's Health Center and St. Andrew's Bottineau Clinic are committed to helping those that are unable to pay for their hospital and/or clinic bills. As part of that commitment, St. Andrew's Health Center and St. Andrew's Bottineau Clinic offer Financial Assistance to those who have a need to receive medically necessary medical services. This is a summary of the St Andrew's Health Center and St. Andrew's Bottineau Clinic Financial Assistance Policy.

Availability of Financial Assistance

Financial Assistance is available for those that do not have insurance, those that are underinsured, and those that are ineligible for any government health care program such as Medicaid or Medicare. Financial Assistance is not an insurance program and eligibility will be determined in accordance with procedures involving an assessment of financial need.

Eligibility Requirements

Eligibility for Financial Assistance is determined based on personal and financial information of the household. Patients whose household income is at or below 100% of the Federal Poverty Level are eligible to receive free care. Those with income over 100% the Federal Poverty but at or below 200% would also be eligible for a discount based on a sliding scale. No person eligible for Financial Assistance under the Financial Assistance program will be charged more for emergency care or other medically necessary care than amounts generally billed to individuals who have insurance covering such care. Those with sufficient assets or insurance coverage to pay for hospital care may not be eligible for Financial Assistance.

Services Covered

This policy and procedure pertains to all St. Andrew's Health Center facilities. Persons and departments covered by this policy include only St. Andrew's Health Center acute, observation, swing-bed, emergency, laboratory, radiology, pharmacy, physical therapy, occupational therapy, cardiac rehab, outpatient facility surgical services, and speech therapy.

This policy does not apply to certain groups of providers that may treat a St. Andrew's Health Center patient. See Appendix A for a listing of those groups or providers.
